

Circle Square Cultural Center offers a convenient way to purchase tickets without leaving your home!

Online Ticket Purchasing

The following steps will guide you through the process:

Your Account

In order to receive the resident discounted price, you will need to sign in to your personal account after selecting the show you wish to purchase. Please note: if you do not sign into your account you will NOT receive your resident discount.

Under LOGIN enter your email address and password. If you do not know your password, click 'Forgot password' or 'Returning customer, but no password yet'.

After you have logged into your account you will be able to begin purchasing tickets at the resident rate. If you don't receive the resident rate, contact the ticket office for assistance.

To Purchase Tickets

Step One. Select a show, then enter the number of tickets you would like to purchase and click Continue.

Step Two. Next, navigate through the Performance Option screen. This is where you will choose your seats and your delivery method (i.e. box office will call or e-ticket). Instructions are listed on the page.

Step Three. Once you have completed your order you will review it on the Order Overview screen.

Step Four. Finally, navigate through the Secure Payment screen by choosing one of the following options: Purchase more tickets to this event, purchase tickets to another event or checkout. If you choose to checkout, enter your credit card information. You may pay by VISA, MasterCard, American Express or Discover. (Please note that online tickets are subject to a convenience fee.)

Step Five. Remember to print your ticket(s) at home to avoid a possible wait before the show. You may also pick up your tickets at the Will Call window the day of show. Remember to bring your printed e-tickets with you to the show.
